SKILLS

HTML / CSS JS

PYTHON SQL/PHP

WEB DEVELOPER

As a web developer I have a strong background in programming logic and programming languages. I hold IT diplomas from Addis Ababa Tegbareid Polytechnic College and a Python certification from Dan Energy Ethiopia. My future goal is to work for xAI, a company that shares my passion for building AI systems that can help humanity understand the world better. I am particularly interested in xAI's project of creating an AI that can perform advanced mathematical reasoning. I believe that my skills and knowledge in programming, mathematics, and machine learning can contribute to this groundbreaking project. I am eager to learn from the talented AI researchers and engineers at xAI and share my insights and ideas. I am dedicated to growing in the field of AI research and engineering and applying my skills to solve meaningful problems.
